

In accordance with WorkSafe BC & the Provincial Health Officer's guidelines, KK Studio has implemented the following operational guidelines & protocols to ensure a safe environment for our students and faculty. We are all in this together. We must do our part to protect each other & our loved ones. Also, your co-operation on following our safety plan will allow us the opportunity to continue to dance together again inside the studio safely & keep our studio doors open. The safety plan will be enforced & any student found not following it, will be denied entry &/or expelled from the studio.

ACKNOWLEDGEMENTS

I understand that COVID-19 has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread by person to person contact and health agencies recommend social distancing.

I acknowledge that the KK Studio Staff & Faculty are closely monitoring this situation and have put in place reasonable preventative measures targeted to reduce the spread of COVID-19. Given the nature of the virus, however, I understand there is an inherent risk of becoming infected with COVID-19 by virtue of proceeding with attending the studio.

I understand all the potential risks, including, but not limited to the potential short-term and long-term complications related to COVID-19, and I would like to proceed with my enrolment in Season 3 at Kelly Konno Studio.

STUDENT PROTOCOLS

Students will not attend KK Studio if...

In the past 14 days, they have had any symptom/s of COVID-19, including but not limited to fever, cough, runny nose/nasal congestion, sore throat, nausea/vomiting, headaches, fatigue, diarrhea, muscle aches, loss of appetite, dizziness/confusion, abdominal pain, &/or skin, rashes/discolouration of fingers & toes.

ZOOM TBD - We are planning on offering a ZOOM option for when students or teachers are unable to attend in person due to having one

of the above symptoms, but feel well enough (a mild head cold, sniffles, etc.) to still dance/teach at home in a safe area. ZOOM is also offered to those students not comfortable to return to in-studio classes.

Students will not attend KK Studio if...

They or anyone they live with has tested positive for COVID-19, and they have not yet been cleared to discontinue isolation in accordance with applicable criteria communicated by public health officers.

Students will not attend KK Studio if...

In the past 14 days, they have had close contact with a person who, to their knowledge, had symptoms of COVID-19 or has tested positive for COVID-19, & they have not yet been cleared to discontinue isolation in accordance with applicable criteria communicated by public health officers; or they are currently subject to a quarantine or self-isolation order.

STUDIO COVID-19 SAFETY PLAN

- **MANDATORY FACE COVERINGS:** KK Studio will require students, faculty & staff to wear non-medical masks or face coverings at all times when at the studio. Exempt: Students 5yrs & younger, students/staff with an underlying medical condition or disability that inhibits the ability to wear a face covering, or who are unable to place or remove a mask or face covering without assistance.
- **STUDIO ARRIVAL / CLASS TRANSITION:** A 15min. buffer between classes will allow adequate time for cleaning & for class transitions. Before lining up, wait for prior class to exit, gather belongings & clear from in front of the studio. If you arrive before the class prior is finished, you are not permitted to wait outside the studio on the sidewalk. Please remain in your vehicle or find a safe place to wait in Artisan Sq. that's not in front of the studio. Please limit visiting/socializing before and after class.
- **ONE-WAY PATH:** We have designated our main 'regular' studio entry door for entrance into the studio & the door at the other side of the studio will be used for exiting.

- **TOUCH-LESS GREETINGS:** No handshaking, hugs or high 5's.
- **HAND SANITIZE & PRACTICE GOOD HYGIENE:** Hand sanitize each time you enter & exit the studio. Avoid touching face, & cough or sneeze into arm.
- **PHYSICAL DISTANCING** of 2 meters/6 feet must be maintained by all students & faculty at all times. Please remain in designated taped dance boxes for the duration of the class.
- **ONLY STUDENTS** may enter the studio. Parents, siblings or family members are asked to wait in their cars and not in front of the studio, as the sidewalk in front of the studio is for 'students only'. Please do not drop off students early or pick up late.
- **PERSONAL BELONGINGS & WASHROOM USE:** Come ready in your dance clothes as our change room & washroom are closed (emergency situations excluded). No filtered water station use. Coats, outdoor shoes/boots, & school backpacks are to be left outside in student's wooden crate/shoe tray. Students may bring in to the studio their dance shoes, water bottle, & small valuables. Food, bare feet & outdoor shoes are not permitted inside studio. There will be cleaning supplies available to wipe down your personal belongings crate or anywhere else you'd like to sanitize/disinfect.
- **ENHANCED CLEANING:** We will safely disinfect/fog the studio during our scheduled Enhanced Cleaning breaks (this will eliminate 99.999% of viruses, bacteria & more). Faculty/staff will also wipe down high traffic surfaces between each class (barres, door handles, bench, personal belonging crates).
- **REDUCED CLASS SIZES:** 7-8 in-studio students max. This will allow for the mandated social distancing measures to happen.
- **ONLINE REGISTRATION ONLY:** We will no longer be accepting drop in's. All classes must be booked ahead of time.
- **NO LOST & FOUND:** Items left behind will be removed from the studio after each class & donated when safely possible.
