

## **KK STUDIO COVID-19 SAFETY PLAN**

In accordance with WorkSafe BC and the Provincial Health Officer's guidelines, KK Studio has implemented the following operational guidelines and protocols to ensure a safe environment for our students, faculty and staff. Your co-operation on following our safety plan will allow us the opportunity to continue to dance together inside the studio safely and keep our studio doors open. The safety plan will be strictly enforced.

### **ACKNOWLEDGEMENTS**

I understand that COVID-19 has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread by person to person contact and health agencies recommend social distancing.

I acknowledge that the KK Studio Staff and Teachers are closely monitoring this situation and have put in place reasonable preventative measures targeted to reduce the spread of COVID-19. Given the nature of the virus, however, I understand there is an inherent risk of becoming infected with COVID-19 by virtue of proceeding with attending the studio.

I understand all the potential risks, including, but not limited to the potential short-term and long-term complications related to COVID-19, and I would like to proceed with my enrolment in Season 3 at Kelly Konno Studio.

### **STUDENT PROTOCOLS**

#### **Students will not attend KK Studio if...**

In the past 14 days, they have had any symptom/s of COVID-19, including but not limited to fever, cough, runny nose/nasal congestion, sore throat, nausea/vomiting, headaches, fatigue, diarrhea, muscle aches, loss of appetite, dizziness/confusion, abdominal pain, &/or skin, rashes/discolouration of fingers & toes.

A ZOOM option is available for when students or teachers are unable to attend in person due to having one of the above symptoms, but feel well enough (a mild head cold, sniffles, etc.) to still dance/teach at home in a safe area.

**Students will not attend KK Studio if...**

They or anyone they live with has tested positive for COVID-19, and they have not yet been cleared to discontinue isolation in accordance with applicable criteria communicated by public health officers.

**Students will not attend KK Studio if...**

In the past 14 days, they have had close contact with a person who, to their knowledge, had symptoms of COVID-19 or has tested positive for COVID-19, & they have not yet been cleared to discontinue isolation in accordance with applicable criteria communicated by public health officers; or they are currently subject to a quarantine or self-isolation order.

**Students will not attend KK Studio if...**

In the past 14 days, they have travelled outside British Columbia.

**KK STUDIO COVID-19 SAFETY PLAN**

- **MANDATORY FACE COVERINGS:** KK Studio will require all students, parents, faculty/staff to wear non-medical masks at all times when at the studio. Exempt: anyone with an underlying medical condition or disability that inhibits the ability to wear a face covering, or who are unable to place or remove a mask or face covering without assistance.
- **STUDIO ARRIVAL / CLASS TRANSITION:** A 15-20min. buffer between classes will allow adequate time for cleaning and for class transitions. Before lining up, wait for prior class to exit, gather belongings and clear from in front of the studio. **If you arrive before the class prior is finished, you are not permitted to wait outside the studio on the sidewalk.** Please remain in your vehicle or find a safe place to wait in Artisan Sq. that's not in front of the studio. Please limit visiting/socializing before and after class.
- **BOTH DOORS WILL BE USED FOR EXIT:** The door at the other side of the studio will be used for exiting as well as the front door. This will allow for students to be socially distanced while exiting the studio. Students will be let out one at a time.
- **TOUCH-LESS GREETINGS:** No handshaking, hugs or high 5's.

- **HAND SANITIZE & PRACTICE GOOD HYGIENE:** Hand sanitize each time you enter and exit the studio. Avoid touching face, and cough or sneeze into arm.
- **PHYSICAL DISTANCING** of 2 meters must be maintained by all students and faculty outside studio & 3 meters inside studio. Please remain in designated taped dance boxes for the duration of the class.
- **ONLY STUDENTS** may enter the studio. Family members are asked to wait in their cars and not in front of the studio, as the sidewalk in front of the studio is for **'students only'** and is a **'mask mandatory zone'**. Do not drop off students early or pick up late.
- **PERSONAL BELONGINGS & WASHROOM USE:** Come ready in your dance clothes as our change room and washroom are closed (emergency situations excluded). No filtered water station use. Coats, outdoor shoes/boots, and school backpacks are to be left outside in student's wooden crate/shoe tray. Students may bring in to the studio their dance shoes, water bottle, and small valuables. Food, bare feet and outdoor shoes are not permitted inside studio. Although our teachers/staff disinfect the entire studio in between each class, cleaning supplies are available for students to wipe down their personal belongings crate or anywhere else they'd like to sanitize/disinfect.
- **ENHANCED CLEANING:** We will safely disinfect/fog the studio during our scheduled Enhanced Cleaning breaks (this will eliminate 99.999% of viruses, bacteria and more). Faculty/staff will also wipe down high traffic surfaces between each class (barres, door handles, bench, personal belonging crates, floors).
- **REDUCED CLASS SIZES:** (7-8) in-studio students + (2) Staff members. (10) person maximum permitted in studio at a time.
- **ONLINE REGISTRATION ONLY:** No drop in's.
- **NO LOST & FOUND:** Items will be donated.
